

# M90

## PowerMulcher Series Straw Blower

The Epic M90 PowerMulcher sets the standard for large production sites with bale capacity for twenty tons of hay or straw per hour, and placement of up to 100 feet. The sturdy, two-piece fully adjustable feed tray with hydraulic conveyor system speed mulch delivery to the patented beater drum. Tray adjustments accommodate various bale sizes. The operator has complete control of the mulch delivery and placement. Ten acres or more can be mulched in an hour or less. Combining a half century of experience in this specialized field, Epic's commitment to customer service, and with an industry leading two-year power mulcher warranty, your satisfaction can be assured. For years of dependability, demand Epic PowerMulching machinery!

- 99 hp John Deere Diesel Engine
- 20 Ton Per Hour Mulch Output
- Discharge Distance 100 Feet in Still Air
- Automatic Bale Segmenting
- Variable Speed Hydraulic Feed System
- Standard Heavy Duty Trailer
- Exclusive Two Year Warranty

Engine:	John Deere 4045TF285, 99 hp (73.8 kW), water cooled diesel
Capacity:	Up to 20 tons per hour
Fuel Tank Capacity:	30 gallon (113.5 liter)
Drive:	Heavy duty PTO direct via flexible insert drive coupling features easy access replacement bushings
Flail:	Std. Four fully adjustable full hardened chan flail stations Opt. Flail knives make easy work of tough materials
Blower:	29 5/8" OD, six blade reinforced material handling type wheel, dynamically and statically balanced
Discharge Head:	Heavy duty slew bearing mounted, gas charged spring counter balanced with center mount bearings, 360 degree horizontal rotation, 60 degree vertical articulation, urethane abrasion resistant rolling boom seals and stainless steel side wipers
Range:	Up to 100 ft (30.5 m)
Brakes:	Electric brakes with brake away switch
Lights:	DOT compliant LED lighting including marker, identification lights, and license plate bracket
Axle:	5200 lb precambered with steel shackle type spring assembly
Tires:	ST225/75R15 8 ply
Hitch:	2 5/16" ball hitch - lunette eye optional
Weight:	4400 lbs. (1980 kg)
Length:	18' 3" (5.6 m)
Width:	6' 10" (2.1 m)
Height:	8' 10" (2.7 m)
